**NOTIFICATION TO AVAIL SERVICES FROM EDUCATION CONSULTANTS
REGISTERED WITH DAHE, MoE**

The Department of Adult & Higher Education (DAHE) has learned that there are individual/firms operating as education consultancies advertising themselves in social media. These entities are not registered with DAHE and do not possess a valid trade license from the Ministry of Economic Affairs.

Therefore the Department advises people to check the status of the firm whose services they wish to engage. It is recommended that people avail education consultancy services from firms that are registered with DAHE.

The Department hereby notifies that DAHE cannot assist people who avail services from unregistered entities and therefore, shall not be held accountable for such placement.

Kindly visit DAHE website <http://www.dahe.gov.bt/> for details. For further clarification, contact us at 02-334101/332068 during office hours or email us at qaad@moe.gov.bt
